

MI Excel Collaborative Partner Meeting
Crowne Plaza West
February 9, 2018
9 AM to Noon

- Welcome/Introductions/Connector
- New model for supports for CSI schools is the Partnership District Model. But there could be exceptions for this.
 - High schools identified as CSI for graduation rate? If that is the only identified school in a district, MDE will likely not require a Partnership District agreement to be put into place. What type of accountability and support should be required?
 - Alternative Schools and Special Ed Centers? If one of these is the only identified school in a district, MDE will likely not require a Partnership District agreement to be put into place. What type of accountability and support should be required?
- MI Excel Updates
 - Carry over and the budget
 - Status of RfP
 - 2018/19
