Do you have new employees in your organization?

Is there someone in your organization who needs to start receiving MDE's regular communication?

Have you made changes to your IF / School assignments?

Use [the ISD/ESA Contact Update Form](#)* to provide updates regarding:

1. **Changes in personnel at your organization** (additions and deletions)
2. **Add subscribers to the MI Excel Connector Blog.** This is the primary method of communication between MDE's School Improvement Support Unit and ISD/ESAs.
3. Any changes in **Implementation Facilitator / school assignments.**
